B.2

Disposition

Disposition of 60 units associated with the former Hoffman Estates (NJ022000002). Demolition approval had already been granted by HUD and the development has been demolished. NBHA is waiting to submit a disposition application with its approved financing plan to build the new development.

Conversion to RAD

NBHA is considering converting the 26 ACC units at Providence Square 55 Harvey Street (NJ022000004) under the Rental Assistance Demonstration (RAD). NBHA has not begun the process and is still evaluating the decision.

B.5 Progress Report

The PHA's mission is to assist eligible families by providing decent affordable housing as they move to achieve self-sufficiency. The PHA is committed to operate in an ethical, efficient, and professional manner. The PHA will establish and maintain partner/relationships with its clients and appropriate community agencies in order to accomplish this mission.

The 5-year Goals and Objectives are presented with progress updates.

Goal 1: Dispose of Hoffman site and partner with developer to build up to 60 more affordable housing units within the City of New Brunswick.

Objective 1.1: Prepare disposition request for HUD review: NBHA is reviewing the application process for disposition of the Hoffman site and will work its development partner to determine which type of disposition should be used for this redevelopment of the AMP-2 site. The site was previously approved for demolition only and we have completed that stage of the project. NBHA is now updating the plan to build up to 66 units of senior affordable housing on the former Hoffman site. We continue to apply for funding of the proposed replacement building through the NJHMFA tax credit process. This goal remains open and on-going.

Objective 1.2: Issue RFP for developer: NBHA has issued and awarded an RFP for a development partner to build back affordable senior housing on the former Hoffman site (AMP-2). This objective has been accomplished.

Objective 1.3: Award contract. Move forward with development partner to apply for funding and development of new units: NBHA has awarded the contract for development partner to Penrose. This objective has been accomplished.

Objective 1.3.1 Obtain funding through the NJHMFA to complete senior affordable housing on the AMP-2 site. The project has received an award of 9% LIHTC. However there remains a gap that we are trying various strategies to address. This objective is accomplished and ongoing.

Objective 1.4 Construct 66 units of senior affordable housing on the former Hoffman site. We anticipate that construction will start shortly after we've closed the financing gap with an estimated completion by 2024.

Goal 2: Maintain maximum utilization of voucher program within funding provided.

Objective 2.1: Determine number of units maximally feasible: NBHA is working with HUD to maximize utilization within the housing voucher program. Using the HUD Two-Year Tool, NBHA determined that an average of 925 units under lease per month is the ideal number of units that we can support with the current funding. As funding changes and the per unit cost of the vouchers change, this target will need to be adjusted. The NBHA will continue to monitor the HUD Two-Year Tool to maximize utilization while staying within budget. This goal is accomplished and ongoing

Objective 2.2: Absorb port-ins: NBHA is now absorbing port-in vouchers as they come in to maximize their program. This goal remains open and on-going. How many units have been absorbed over the last year?

Objective 2.3: Work to issue and lease up vouchers in a timely manner: NBHA continues to work to lease-up vouchers to maximize the program utilization rate (up to the maximum amount of funds available). The NBHA currently has leased 888 of 971 units. NBHA is trying to lease additional units, but has been presented with challenges by the low inventory of units available to voucher holders that meet the current payment standard. The COVID pandemic has also presented challenges for increasing utilization as the inventory is lower than normal. This goal remains open and on-going.

Goal 3: Maintain and operate the security camera system at all sites and improve reduction in crime at all sites.

Objective 3.1: Perform monthly inspection of camera system: NBHA continues to inspect the camera system on a regular basis. NBHA is in the process of completing the implementing the upgrade to the camera system. This goal remains open and on-going.

Objective 3.2: Update camera system and units as needed: NBHA has purchased updating equipment and is installing the new equipment and systems. This goal remains open and on-going.

Objective 3.3: Continue to work with NB Police on crime reduction and response: We continue to meet with NB Police and their crimes units on a regular basis. NBHA coordinates the camera positioning with the NB Police to focus on areas that need better coverage. This goal remains open and on-going.

Goal 4: Maintain and expand fee for service agreements with PHA's and government agencies.

Objective 4.1: Contract with at least one additional PHA or governmental agency on a fee-for-service agreement: NBHA has executed fee for service agreements with the Franklin Township Housing Authority for 2021. This goal remains open and on-going.

Goal 5: Submit an application for voluntary Conversion of AMP-1.

Through rehabilitation and demolition of a sufficient number of units, the NBHA will qualify for voluntary conversion. (Status update) At this point in time NBHA does not qualify for voluntary conversion. NBHA will continue to monitor the number of units in our portfolio and apply for voluntary conversion when we become eligible. This goal remains open and ongoing.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 07/01/12, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
5. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
6. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identifying any impediments to fair housing choice within those programs, addressing those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and by maintaining records reflecting these analyses and actions.
7. For PHA Plans that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2010-25);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
8. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
9. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
10. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
11. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

12. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
13. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
14. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
15. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
16. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
17. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
18. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
