**Resolution Approving the Late Submission of the Housing Authority of the City of New Brunswick's Budget**

**WHEREAS**, New Jersey State Law requires that a Public Housing Authority submit its budget to the New Jersey Department of Community Affairs sixty (60) days prior to the start of its fiscal year; and

**WHEREAS**, N.J.A.C. 5:31 requires that a Housing Authority adopt a late budget resolution should it not adhere to the 60 day requirement; and

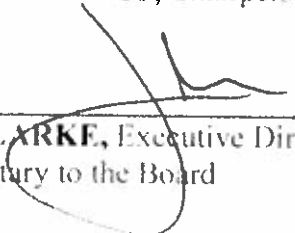

**WHEREAS**, the Housing Authority of the City of New Brunswick (Authority) did not submit its budget prior to the 60 day requirement for the follow reasons:

1. The HUD capital fund and subsidy formulas, which are a major component of the Authority's budget, were not approved or released by HUD in time to meet the submission deadline.
2. HUD has still not released its capital fund formula amount for 2018 and HUD has not released all subsidy formulas for its 2018 budget. Because of these facts, the Housing Authority budget has been developed based on estimates for 2018 using actual expenditure amounts from 2017 and projections for subsidy amount, to create the 2018 budget.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Commissioners of the Housing Authority of the City of New Brunswick hereby adopts this resolution to submit the late budget in accordance with N.J.A.C. 5:31.

# 2018 HOUSING AUTHORITY BUDGET MESSAGE & ANALYSIS NEW BRUNSWICK HOUSING AUTHORITY

## AUTHORITY BUDGET

FISCAL YEAR: FROM: July 1, 2018 TO: June 30, 2019

*Answer all questions below. Attach additional pages and schedules as needed.*

1. Complete a brief statement on the 2018/2018-2019 proposed Annual Budget and make comparison to the 2017/2017-2018 adopted budget for each operation. Explain any variances over +/-10% (**As shown on budget page F-4 explain the reason for changes for each appropriation changing more than 10%**) for each line item by operation. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. For example, if anticipated service charges have increased 15% due to an increase in rates, provide documentation of how the increase occurred (Example Rate Increase authorized by resolution or by HUD).
2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any. An increase or decrease is considered significant if it is over +/-10% (**As shown on budget page F-2 explain reason for change for each revenue changing more than 10%**) from the current year adopted budget.
3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.
4. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.
5. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.).
6. The proposed budget must not reflect an anticipated deficit from 2018/2018-2019 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question. (**Prepare a response to deficits caused by the implementation of GASB 68**)

**Question No. One**

---

**Page F-2 "Management Revenue"**

Management Fee Revenue decreased due to the conversion of AMP-3 to RAD and a decrease is also expected in HUD subsidy due to the RAD Conversion and a lower proration factor.

**Page F-4 "Legal"**

Legal Fees have increased due to the increased requests of information under the Open Public Records Act (OPRA) and other requests.

**Page F-4 "Miscellaneous Administrative"**

The decrease in the current year is due to a projected decrease in management fees paid to the Authority's outside management company as a result of converting to RAD. RAD conversion began January 2018 and the administrative fees are paid to the HCV Program.

**Page F-4 "Maintenance Salaries"**

Maintenance salaries have decreased due to attrition and reduction in force.

**Page F-4 Fring Benefits**

Fringe Benefits for Cost of providing services decreased due to the retirement of one employee and the termination of two additional employees. Two part-time employees were hired who do not receive benefits.

**Page F-4 "Utilities"**

Utilities were underbudgeted in the prior year. Both the prior year and current year include settlement payments to the water company as well as increased costs.

**Question No. Two**

---

Revenues are anticipated to remain stable and consistent based on low and moderate income population and HUD funding levels. The Prior incorrectly reported CFP subsidy for CFFP debt.

**Question No. Three**

---

The local economy is expected to remain stable with no anticipated changes

Page N-1 Question No 6

The Authority has a deficit of (\$4,077,285) as of June 30, 2017 which includes accrued OPEB and Pension liabilities of \$5,494,128. The deficit is expected to increase in 2018 due to mandatory adoption of GASB 75. GASB 75 mandates that the Authority must recognize the entire OPEB liability which is currently being amortized over 30 years. However as stated on page F-8, when equity is adjusted for Pension and OPEB Liabilities the Authority has a surplus of \$1,766,093.

Currently the Authority's revenues consist primarily of subsidies from the United States Department of Housing and Urban Development (HUD). The Authority's ability to reduce the deficit and fund the pension liability is dependent on the operating subsidies received from HUD.

Further the Authority participates in the State of New Jersey's Pension System. The liability of the Authority will fluctuate from year to year depending on the performance of the investments the Pension System invests in. To that extent the Authority has no control as the State of New Jersey hires the fund managers.
